**MEMORANDUM FOR:** Mr. Eugene P. Kiefer, Development Projects Division  
**THROUGH** : Acting Chief, Development Projects Division  
**SUBJECT** : Project GUSTO  
**REFERENCE** : Memorandum for DD/P, from Mr. Kiefer, dated  
4 March 1959 (GUS-0156)

1. I concur fully with the reference with only one exception. It is my view that since we have conventional types of aircraft available at Wiesbaden, it will be entirely appropriate to use one of them for this purpose. As you know, I hope that we will within a few months have changed the status of these aircraft in such a way that the Air Force personnel who perform maintenance and control training and other operations will be on assignment to this Agency and will therefore be as directly under the control of DPD as any of our Detachments.

2. You may wish to approach this matter somewhat cautiously with Leo but I would hope that in discussions with him you would express the above view.
